3. Maximum Annual Assessment. Until December 31 of the calendar year following the conveyance of the first Lot by Declarant to another Owner, the maximum annual assessment shall be Three Hundred Seventy Five Dollars and NO/100ths (\$375.00) per Lot.

(a) The maximum annual assessment established above may be increased, effective January 1 of each calendar year following the conveyance of the first Lot by Declarant to another Owner, without a vote of the membership of the Association by an amount not to exceed the greater of (1) ten percent (10%) per year over the previous year; or (2) the percentage increase, if any, in the Consumer Price Index (published by the United States Department of Labor, Washington, DC) for all cities over the immediately preceding twelve (12) month period which ended on the previous October 31. If the annual assessment is not increased by the maximum amount permitted under the terms of this Section, the difference between any actual increase which is made and the maximum increase permitted for that year shall be computed and the assessment may be increased by that amount within the next three future years at the election of all members of the Board of Directors of the Association without a vote of the membership, in addition to the maximum increase permitted under the terms of the preceding sentence.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, said maximum annual assessments may be increased without limitation if such increase is approved by Members entitled to no less than sixty-seven (67%) of all of the votes to which all Members are entitled. Such voting may be represented in person or by proxy at a meeting duly called for such purpose.

(c) The Board of Directors may fix the annual assessments at amounts not in excess of the maximum. If the Board of Directors shall levy less than the maximum annual assessment for any calendar year and thereafter, during such calendar year, determine that the important and essential functions of the Association cannot be funded by such lesser assessment, the Board may, by majority vote, levy a supplemental assessment. In no event shall the sum of the initial and supplemental assessments for that annual period exceed the applicable maximum annual assessment permitted under Subsection 3(a) of this Article.

4. Special Assessments for Capital Improvements. In addition to the annual and supplemental annual assessments authorized in Section 3 above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; provided, that any such assessment requires the same assent of the members as provided in Section 3 (b) of this Article.

5. Assessment Rate. Both annual and special assessments must be fixed at an equal amount for all Lots. Notwithstanding the foregoing, so long as Declarant owns any Lots, Declarant will not be assessed annual or special assessment for any such Lot.

6. Notice and Quorum for Any Action Authorized Under Article V, Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting the presence of Members or of proxies entitled to cast fifty percent (50%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, subsequent meetings may be called subject to the same notice requirement, until the required quorum is present. No such subsequent meeting shall be held more than sixty (60) days following date set for the preceding meeting.

7. Date of Commencement Of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to each Lot upon the filing of this Declaration in the Office of the Register of Deeds. The first annual assessment shall be adjusted and prorated according to the number of months remaining in the annual accounting period for the Association. Written notice of the annual assessment for each year shall be sent to every Owner. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twenty-five (25%) percent per annum. Assessments shall constitute a lien against the Lots. The Association may bring an action at law against the delinquent Owner or foreclose the lien against the Lot in the same manner as title foreclosure of a mortgage, and interest, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of the assessment due and owing. No Owner may waive or otherwise escape liability for the assessments provided for herein by not using the Common Areas or by abandoning Owner's Lot.

9. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any mortgage on a Lot or any mortgage of Declarant. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessments against such Lot as to payments which became due prior to such sale or transfer pursuant to mortgage foreclosure. No sale or transfer shall relieve the purchaser of such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the lien provided for herein shall continue to be subordinate to the lien of any mortgage as provided in this Declaration. No mortgagees shall be required to collect assessments hereunder and a failure to pay assessments hereunder shall not constitute a default under any applicable mortgage on a Lot.

10. Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):

(a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special, and specific assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be repaid from assessments or may be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or

(b) cause the Association to borrow such amount, or a general borrowing from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Area or any of the improvements maintained by the Association shall be given in connection with such loan; or

(c) acquire property for, or provide services to, the Association or the Common Area. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

**Article VI**  
**Maintenance**  
**Encroachment and Support**

Each Owner shall keep and maintain Owner's Lot and any improvements and landscaping thereon in good condition and repair, including without limitation, (a) repairing and painting (or other appropriate external care) of all structural improvements; (b) seeding, watering and growing of all lawns; (c) pruning and trimming of all trees, hedges and shrubbery. The Architectural Committee shall have the power and responsibility of enforcing this Section. If the need for maintenance, repair or replacement of any improvements and landscaping which are the Owners responsibility is caused to be undertaken by the Association due to negligence or omission of an Owner or such Owner's family, guests, invitees, tenants, contractors or agents, the cost of such maintenance, repair or replacement shall be added to and become a part of the assessments to which such Lot is subject.

Owners shall have the right to plant and maintain flowers in the front beds established by Declarant in developing the Lots; provided that such plantings and their maintenance is by the Owner. The Owner shall not plant any vegetation, install additional beds, or modify storm water drainage swales on a Lot without the prior written approval of the Architectural Control Committee except flowers in beds as described above.

If the need for maintenance, repair or replacement of those matters which are the responsibility of the Association is caused, directly or indirectly, wholly or in part, through the willful, intentional, unintentional, or negligent act or omission of an Owner or such Owner's family, guests, invitees, tenants, contractors or agents, the cost of such maintenance, repair or replacement shall be added to and become a part of the assessments to which such Lot is subject.

2. Encroachments. If any improvement including, but not limited to, roof overhangs, bay windows, fences and utility meters, that are part of the Common Area or a Lot now or hereafter encroach on any other part of the Common Area or another Lot by reason of the original construction thereof, deviation within normal construction tolerances in the upkeep of any improvement, or the settling or shifting of any load or improvement, an easement and right is hereby reserved and granted to the extent of any such encroachment for the period of time such encroachment exists.

3. Support. To the extent that any land or improvements that are part of the Common Area or a Lot now or hereafter supports or contributes to the support of any other land or improvement that is part of the Common Area or another Lot, the land or improvement providing such support is hereby burdened with an easement and right for support for the benefit of the other land or improvement that is supported.

Any modification or change to the Architectural Committee approved set of plans, specifications, site plan, and materials must again be submitted to the Architectural Committee for its inspection and approval or disapproval. The Architectural Committee's approval or disapproval shall be in writing. If the Architectural Committee approves the plans specifications and site plan for the proposed improvements, the construction of such improvements must be promptly commenced and diligently pursued to completion and if such construction is not commenced within the time set therefore by the Architectural Committee in the written approval (but in no event later than one (1) year after such approval), such approval shall be deemed rescinded and, before construction of improvements can thereafter be commenced on the subject Lot, the plans, specifications and site plan therefore must be again approved by the Architectural Committee pursuant to this Article.

**4.Lien for Fines; Enforcement; Easement of Access for Enforcement; Remedy of Foreclosure.** The Board of Directors of the Association, with or without the recommendation of the Architectural Committee, shall have the specific, nonexclusive right (but no obligation) to enforce the provisions contained in this Article and to prevent any violation of the provisions contained in this Article by a fine in such amount as determined by the Board of Directors levied against the Owner of a Lot who violates or attempts to violate any such provisions contained herein by filing any such fine as a lien against such Lot in the public records of Greenville County and enforcing payment of any such fine by an action in foreclosure against such Lot, including attorney's fees and costs of enforcement, as well as any other proceeding at law or in equity against the Owner of the Lot who violates or attempts to violate any such provisions contained herein. The Association shall have an easement and right of access over, upon and

5.Effect of Failure to Approve or Disapprove. If the Architectural Committee fails to approve or disapprove the design of any proposed improvements within forty-five (45) days after plans, specifications, and site plan therefore have been received by the Architectural Committee, approval will not be required, and the requirements of this Article shall be deemed to have been fully satisfied; provided, that the plans and specifications required to be submitted shall not be deemed to have been received by the Architectural Committee if they contain erroneous data or present inadequate information upon which the Architectural Committee can arrive at a decision. Notwithstanding the foregoing, the Architectural Committee shall have no right or power, either by action or failure to act, to waive or grant any variance relating to any mandatory requirements specified in the Declaration.

6.Right of Inspection. The Architectural Committee shall have the right, at its election, to enter upon any of the Lots during preparation, construction, erection, or installation of any improvements thereon to determine that such work is being performed in conformity with the approved plans and specifications.

7.Limitation of Liability. Neither the Architectural Committee, the members thereof, the Board of Directors of the Association, Association Members, nor the Declarant shall be liable in damages or otherwise to any Owner or anyone submitting plans, specifications, site plans and other submittals pursuant to this Article VII, or to any third party, member of the Association, or Owner of any other Lot with respect to the review, approval, disapproval, failure to review or failure to approve or disapprove any plans, specifications, site plans or other submittals pursuant to this Article VII, or with respect to any claims of mistake of judgment, negligence or nonfeasance arising out of or related to this Article VII.

8.Compensation. No member of the Architectural Committee shall be entitled to compensation arising out of services performed pursuant to this Article.

### **Article VIII Easements Reserved By Declarant**

1. Easements. Lots and the Common Areas shall be subject to those easements and rights-of-way, if any, as shown on the recorded Plats of the Property.

In addition thereto and in lieu thereof, Declarant reserves the following perpetual easements:

(a) an easement along each side and rear Lot line of each Lot (i) for the erection, installation, construction, repair, replacement, and maintenance of fences, wires, lines, conduits, pipes, and poles, appurtenances, appliances, equipment and the like in connection with the transmission and distribution of electricity, telephone, cable television, and other utilities; and (ii) for the erection, installation, construction, and maintenance of storm water drainage facilities, land drains, pumping and lift stations, open drainage ditches, public and private sewers, pipelines

for supplying natural gas, water, and the like utilities and wires, lines, conduits, pipes, appurtenances, appliances, equipment and the like in connection therewith, and for, any other public or quasi-public facility, service or function;

(b) a five foot easement along Lot lines adjacent to streets for the installation of driveways, curbing, and curb cuts for driveways;

(c) the right and easement to erect permanent walls on the Common Areas for the purposes of providing screening, privacy, decoration, retainage and topographical stability in connection with the overall plan and development of the Development, the Property and the Lots located therein and thereon;

(d) a temporary easement for the benefit of Declarant over the Common Areas for the purpose of temporarily storing construction materials or parking vehicles and equipment in connection with the construction of improvements on the Common Areas or on adjacent or contiguous property owned by Declarant;

(e) an easement over all lots for the purpose of maintenance of landscaping over the Common Areas in such amount, manner and maintenance as the Declarant, in its sole discretion, shall determine;

(f) an easement for the installation and maintenance of utilities (including transformers and service facilities) and other commonly beneficial amenities including, without limitation, mailboxes, trash containers and area lighting over the Property and Common Areas.

Each Owner, by acceptance of a deed to a Lot, and the Association by its acceptance of a deed to the Common Areas, acknowledge and agree to the foregoing reservation of easements and the right of Declarant to transfer such easements to the Association or to public or private utility companies as Declarant may choose.

The easements reserved by the Declarant include the right to cut or remove without replacement any trees, bushes or shrubbery, make any gradings of the soil, or take any similar action required by a utility for acceptance of a transfer or reasonably necessary to provide economical utility installation and maintenance of the overall appearance of the Development.

Within any of the foregoing easements, no structure, planting or other material shall be placed or permitted to remain which may, in Declarant's sole opinion, interfere with the installation or use of utilities, or which may change the direction of flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easements, or which may otherwise damage or interfere with the enjoyment or use of the easements for their intended purposes.

The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of said Lot, except for those improvements for which, a public authority or utility company is responsible.

2. Encroachments. Each Owner of a Lot with an exterior wall, roof or eave, including overhangs, fences, concrete or asphalt walk, patio or driveway which encroaches on the Common Area and/or an unimproved portion of a Lot of another Lot Owner and which encroachment exists solely by virtue of original construction by the Declarant or with Declarant's express approval, shall have an easement over that portion of the Common Area or adjacent Lot affected by the encroaching wall, roof, eave, fence, walk, patio or driveway for the purpose of using said portion of the Common Area or adjacent Lot for the encroaching Owner's exclusive use and benefit and for the purpose of maintaining the encroaching structure in good condition and repair. In the case of a wall, roof, eave, walk, patio or driveway encroachment, it shall be the responsibility of the Owner thereof to maintain the encroaching wall, roof, eave walk, patio or driveway in good condition and repair. Furthermore no additional fencing shall be allowed unless it is first approved by the Architectural Committee.

All Lots shall be used for single-family residential purposes only, and no business or business activity shall be carried on or upon any Lot at any time; provided, however, that nothing herein shall prevent Declarant from using any Lot owned by Declarant for the purpose of carrying on business related to the development, improvement and sale of Lots in the Development.

The Board of Directors of the Association, with or without the recommendation of the Architectural Committee, shall have the specific, nonexclusive right to enforce the provisions contained in this Article and to prevent any violation of the provisions contained in this Article by a fine in such amount as determined by the Board of Directors levied against the Owner of a Lot who violates or attempts to violate any such provisions contained herein, by filing any such fine as a lien against such Lot in the public records of Greenville County and enforcing payment of any such fine by an action in foreclosure against such Lot, including attorney's fees and costs of enforcement, as well as any other proceeding at law or in equity against the Owner of the Lot who violates or attempts to violate any such provisions contained herein. In no event shall any trailer, camper, shack, tent, garage, utility building, shed, greenhouse, barn or other structure of a similar nature be used as a residence, either temporarily or permanently; provided, however, that this Section shall not be construed to prevent the Declarant from using sheds or other temporary structures on Lots during construction.
